AUGUST – CHARLIE & THE CHOCOLATE FACTORY (1971)

Sunday 14th August 5pm

With the children officially being on their school holidays we thought we would introduce them to the classic of this great film – with a little treat for the children will they get a golden ticket?

SEPTEMBER – COCKTAIL (1988)

Sunday 18th September 5pm

Yes, it was 1988 that this film was released and NoTwenty9 would not be NoTwenty9 without cocktail! Like a lot of students taking up bar work, cocktails are theatrical, sociable, fun and delicious and we will have some special tipples for this showing. We cannot guarantee flaring but we are going to practice spinning those measures.

OCTOBER – HALLOWEEN (1978)

Sunday 30th October 8pm

A later event this month, after all you don't want to see what or who is lurking over your shoulder! Join us under the festoon lights surrounded by carved pumpkins. Keep warm with spiced pumpkin soup, salted caramel rum hot chocolates and hot apple pie punch!
