Sauvignon Blanc, Two Rivers, Marlborough, New Zealand

£6.70 £10.00 £13.30 £38.00

As you may be aware there are huge supply issues with New Zealand Sauvignon, so we are carefully selecting the very best monthly and so this grower may change. However, we taste the wine to ensure it is the typical, classic style with flavours of gooseberries and grapefruit and of great quality.

Chenin Blanc, Olifantsberg, Breedekloof, South Africa

£6.50 £9.70 £12.80 £37.00

Tim Atkin awards this wine at 90pts – For us it has aromas of green apples but is far fuller in flavour than a typical South African chenin. The wine has been aged for nine months on the lees in French oak which provides a good depth of fruit and a refreshing feel to balance the rich creamy palate.

We love the skill of this winemaker that we have also listed the big brother of this wine which is even bolder and perfect with food.

Natural, Organic, Catarratto, Italy

This is a lovely alternative to a New Zealand Sauvignon, but the gooseberry is a little more refined. Its bright, fresh, with aromas of elderflower.
